ROWLINSON®
GARDEN PRODUCTS

Rowlinson Garden Products is a family business and has been trading in timber since 1926. With 90 years of manufacturing knowledge and experience, you can be confident that our products are constructed to the highest standard and from the finest materials available. Rowlinson products are manufactured to standards set out in our Quality Management System, accredited to ISO 9001: 2015, and distributed from our site at Wardle, Cheshire.

Rowlinson Garden Products takes its social and environmental responsibilities very seriously in terms of responsible forest management, as such all timber products are FSC® certified.

Product safety is a key part of our quality management system. We ensure where necessary our products are tested and approved to the most recent BS EN standards.

If you are an interested company outside of the UK, we are members of Gardenex; the UK export agency for gardening products.
